Waiting for wisdom to open the cage
We forged in the fires of the innocent age

Back at the start, it was easy to see
No one to own to, no where to be

Deep in the heartlands
A sad memory calls to me

FACULTY

ADMINISTRATION

The administration of Catonsville High School completed the 1981-82 school year with minimal problems but many changes. With the loss of Raymond Jacobs to retirement and Isaac Aycock to Dundalk Senior, Catonsville welcomed back Michael Shannon and acquired Ralph Wood from Franklin Senior High. The administration's cooperation with the faculty and students provided a successful, yet challenging, school year.

ENGLISH

The English Department, under the direction of Fred Osing, continued their efforts to educate students in both language and literature. This year saw a county-wide emphasis placed on oral communication skills. For the first time, PSAT's were administered during school hours. The department welcomed Rob Bannister who replaced Ann Lewis.

SCIENCE

Because of budget cuts, the Science Department lost one teacher, Mr. Boone. This loss meant biology classes, along with a few others, were enlarged. Instead of dropping classes, they retained them because the department thought that the electives were an important aspect of the curriculum.

SOCIAL STUDIES

Despite the loss of one teacher, the Social Studies Department introduced one new course this year. Contemporary America, offered to the incoming ninth graders.

This year's central theme was based on people and their behavior in a variety of situations in the past and present. Activities planned for students this year included participation in the MMSL, the state and country page programs, Model U.N., recognition for special days in the school, and social sciences day at Towson State.

MATHEMATICS

The Math Department, headed by Don Wheatly, made problem soling kits and purchased a computer to teach computer programming to the students. Due to a staffing trade-off with Lansdowne, Ron Martin became a member of the CHS faculty. With these new additions, the department had another successful year.

FOREIGN LANGUAGE

The Foreign Language Department, under the guidance of Frank Lewis, underwent many changes due to the budget cuts and the addition of the Arbutus ninth grade students. Joyce Valliant and Tom Manus taught half-day here at CHS, causing classes to be larger than in previous years. Although there were budget cuts, the AFS, French and Spanish clubs continued to be successful in enhancing cultural learning.

HOME ECONOMICS AND INDUSTRIAL ARTS

The Home Economics Department lost one teacher, Lynn Neff, but gained Mary Grauel, so their staffing remained at the same level.

The Industrial Arts program got off to an unsettled start with Amien Joseph's breaking his foot and missing four weeks of the first semester. Immediately after that, John Grunewald broke his toe. Within weeks after his first accident, he then went into the hospital for an operation and missed the next five weeks of school.

Even with all of the accidents to the teachers, the two departments had a successful year by teaming up together to provide a half year curriculum of both to the ninth graders.

PHYSICAL EDUCATION

The arrival of the ninth graders and the loss of a staff member caused significant increase in the size of Phys. Ed. classes. Senior girls were not offered orienteering this year due to the overcrowding. Teachers continued to stress safety in sports. Jane Rones joined the staff, filling a half-time position.

ART/MUSIC

The purpose of the Art Department, according to Charles Reisenweber, department chairman, was to get serious students to see art as a part of their lives and thereby work on their own.

According to Raymond Hardy, the Music Department's purpose this year was to have the students learn about music so that they could reach their highest potential. Their activities included four concerts and an exchange trip with a school from another state.

WESTERN VO TECH

Western Vo. Tech., offering a wide variety of courses, was able to help students with job placement throughout the year. Many students plan to carry out their career based on the training they received from Western. The faculty and staff was greatly appreciated for their fine assistance.

ADDITIONAL SERVICES

The purpose of the Career Oriented Program, COP, and the Diversified Occupations Program, DO, was to provide an alternate approach to education. The students received instruction in an occupational preparation course, along with any other courses needed to graduate, in the morning. Then, in the afternoon, they went to work at various jobs suited for each student.

The Reading Lab aided students in developing speed reading and vocabulary. They also helped to prepare students for the PSAT and SAT tests.

The purpose of the Special Education Department was to provide an education for students with special needs.

LIBRARY/NURSE

The library underwent a few changes in policy this year due to complaints from students last year. The library was open before homeroom and more students were allowed in during study halls, making the library more accessible to everyone.

Once again this year, the nurse took care of many programs during the school year. In addition to the "Smoke Out" program, Mrs. Chalcraft had to take charge of the screening and testing of all ninth graders. Throughout the year, she continued to provide excellent health care for all students.

A SPECIAL THANKS

The cafeteria staff should be thanked for their continual hard labor in improving the meals and in providing the school with a clean cafeteria. The custodial staff did an exceptional job of keeping the school clean and in order. This year, they were again under the leadership of chief custodian Floyd Thompson. Even though the bus drivers had to endure the year with overcrowded conditions due to the loss of 3 buses, they provided safe transportation fro all students.

Seniors

Seniors

The Class of '82 had a very profitable year. Selling cheese and sausage, the class earned a surprising amount of over $5000. With low prom tickets and plenty of food for Senior Day, the members of the class were benefited by their hard work. Money was also earned by selling class T-shirts, stickers and having numerous bake sales. The class council would like to extend its appreciation to all those who helped to make 1982 a memorable year.

A Parable of Immortality
by
Henry Van Dyke

I am standing upon the seashore. A ship at my side spreads his white sails to the morning breeze and starts for the blue ocean. He is an object of beauty and strength and I stand and watch until at last he hangs like a speck of white cloud just where the sea and sky come down to mingle with each other. Then someone at my side says, "There he goes!" Gone where? Gone from my sight . . . that is all. He is just as large in mast and hull and spar as he was when he left my side, and just as able to bear his load of living freight to the place of destination. His diminished size is in me, not in him. And just at that moment when someone at my side says, "There he goes!", there are other eyes watching him coming, and other voices ready to take up the glad shout, "There he comes!"

UNDERCLASS

JUNIORS

The Junior Class; although off to a slow start, increased their enthusiasm throughout the year. Profits were made primarily from a well-attended Ring Dance. Along with the sale of crystal ornaments, the class made a little over $1000 total. They ended the year with a small but successful prom, and look forward to a memorable senior year.

HAPPENINGS

Here's to a Successful Season

This year's Victory Mixer, sponsored by the SGA, and held on October 9, proved to be a very enthusiastic start for the '81-'82 school year. The band, *Hide-N-Seek*, kept the attitude and spirits of the crowd high with their variety of popular music.

The Blue Crew of '82

A Turn to the Future

On Friday evening, November 13, 1981, the Junior Class held its Ring Dance featuring the band, *Last Chance.* Breaking the school tradition, many students other than Juniors attended the dance, making it a great success. Despite the superstitious date, the dance was a very enjoyable event for all.

Post Halloween Humor

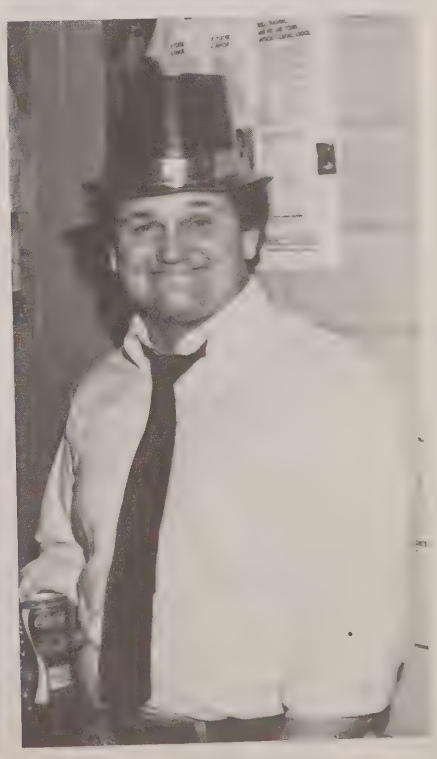
Christmas by the Firelight

On the evening of December 19, 1981, Catonsville Senior High School held its Homecoming Christmas Dance. This year's theme was Christmas by the Firelight. The window display along with the Christmas tree helped to enhance spirit for the dance. Excellent entertainment was provided by the well-known band *Brandy*. The beautiful decorations and successful dance were made possible by the enthusiasm from SGA and all those attending the dance.

Two to Tango

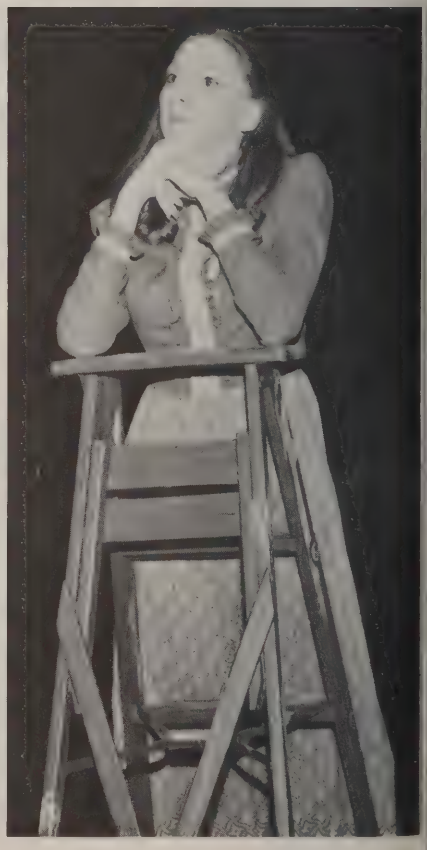
A Salute to St. Pat

On the evening of March 19th, the SGA sponsored a St. Patrick's Day dance featuring the band, "Last Chance." The dance was well attended and turned out to be an "interesting" night.



Our Town

This year the drama department, headed by Robert Harkum, presented *Our Town* by Thornton Wilder. The cast and crew worked for over a month for the December 4 and 5 shows. Harkum built an addition to the stage, extending into the first four rows of the house. This, in conjunction with the lighting effects, gave the character of Stage Manager the appearance of being able to walk through time. All who attended were greeted by an excellent and successful show.



MAME!

On the evenings of May 14th and 15th, CHS presented Jerry Herman's musical, *Mame*. The play was under the direction of Bob Harkum, Barbara Ward, Ray Hardy, and April Koeppel. A talented cast, crew, and orchestra worked hard to make *Mame* a success.

Follies IV Fun

On the evening of April 16, the faculty put on a follies for the student body, proving to the students that there is another side to them than teaching. Some teachers revealed some talent in singing, acting, or playing an instrument, and there were those who showed questionable talent! Most of the skits pertained to the life of a student. Two thirds of the faculty were involved with the show; forty performed in the skits, while thirteen others chaperoned. Although they had only two rehearsals, the show turned out to be an entertaining and financial success.

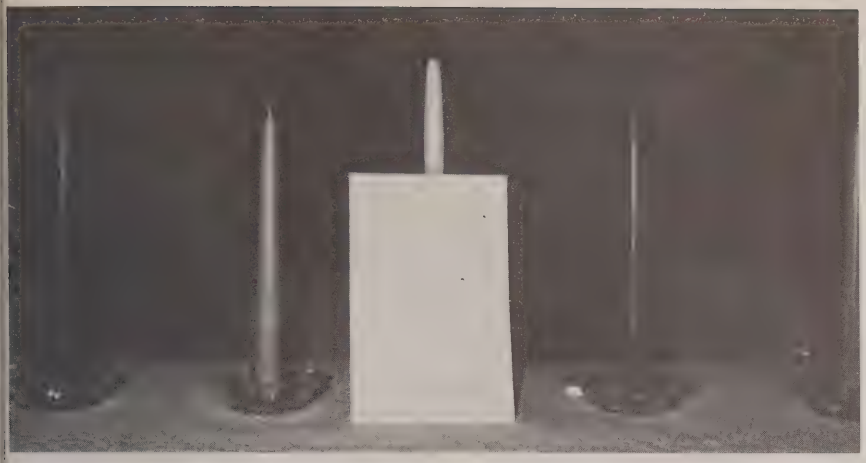
National Honor Society Induction

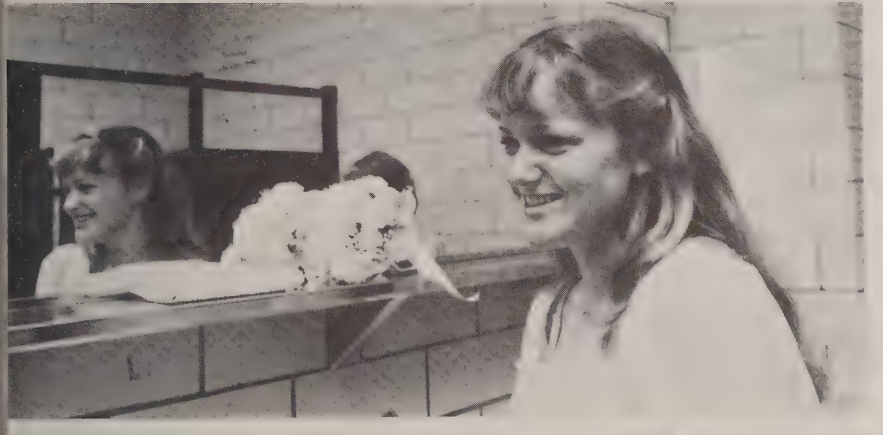
On May 13, 1982, the NHS, sponsored by Mrs. Mekalian, inducted 24 new members, including 7 sophomores, 8 juniors, and 9 seniors. Membership in the NHS is based on 4 traits: scholarship, character, leadership, and service. The seniors must have maintained an average of 3.0 from ninth grade to graduation, while sophomores and juniors must maintain a 3.5 average for 2 consecutive terms. Mr. deFries was the guest speaker for the traditional candle lighting ceremony. The NHS always has a fundraiser and is involved in many school activities including giving tours, tutoring, and providing departmental aides.



Let the Good Times Roll

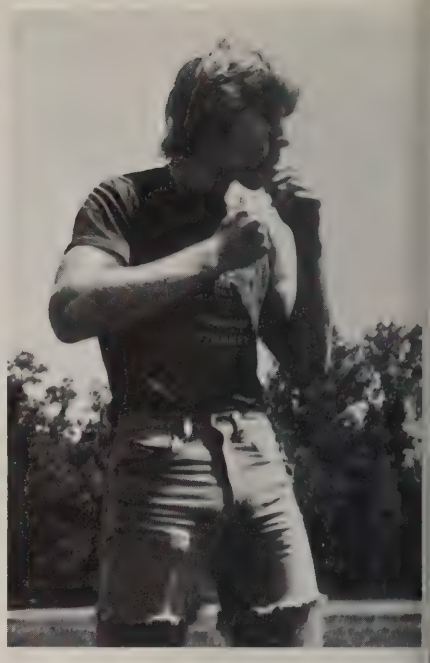
On May 22, 1982, the class of '83 held the junior prom in the school gymnasium. Pictures of juniors and posters were used to decorate for the theme of "Let the Good Times Roll." The band, *One of a Kind*, played various selections of contemporary dance music including "Let the Good Times Roll." Despite the rainy evening, it was a pretty time for all.

Let the Good Times Roll



Kiddies on Campus

On June 2, the traditional Senior Kiddy Day was held. The day started off with the parade through the back parking lot, followed by the movie, *Animal House*, and team games were held on the track. Music was provided by Rick James and B-104 during lunch and for the remainder of the afternoon. The final event of the day was the relentless pie throwing contest. By the end of the day, many tired, sunburned tots were ready for an afternoon nap.



Academic Accolades

On Thursday, June 1, 1972, many students were honored at the annual awards assembly. A number of academic awards and financial grants were given to eligible seniors and underclassmen. The program was followed by refreshments provided by the Honor Society.

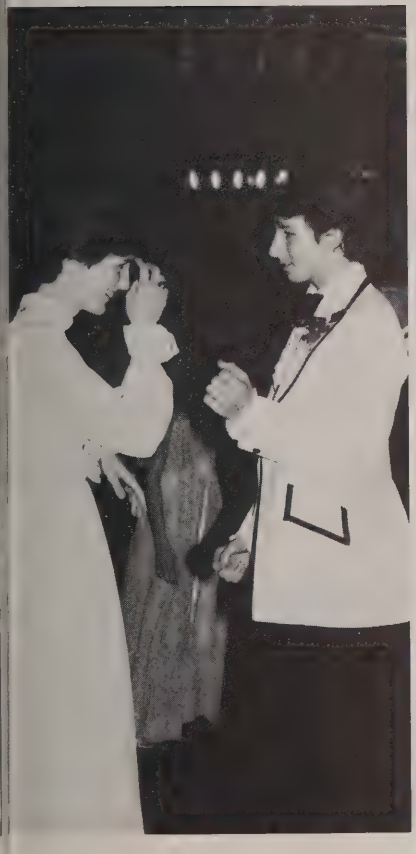
Along the Road

The Senior Prom, held on June 5 in the Rouse Building's Kittamaqundi Room, was a night to be remembered. The stormy weather cleared, which made the evening perfect. The music of *Horizon* and the romantic atmosphere added to the evening's excitement. The prom was a fitting culmination of the three years shared by the class of "82."



Lessons Learned

On Thursday, June 10, the graduation exercises were held for the Class of 1982 at the U.M.B.C. Field House. Many of the speakers reflected upon the previous twelve years of their educational, social, and athletic aspects in the theme of "Lessons Learned." Mr. Shannon was the guest speaker who placed a strong emphasis on the fact that, despite his usual role as a tough disciplinarian, he and the class of '82 were "all together tonight." Senior class advisors, Mrs. Deas and Mr. Rudd, were dedicated in making this class one of the most successful in the history of CHS.

AFS brought three new students to CHS this year, providing a variety of cultural backgrounds for students and faculty to learn about. The AFS students attended many activities at CHS such as the Saint Patrick's Day Dance where they dressed up in brilliantly colored costumes. We can only hope that a little part of Catonsville will be spread throughout the world.

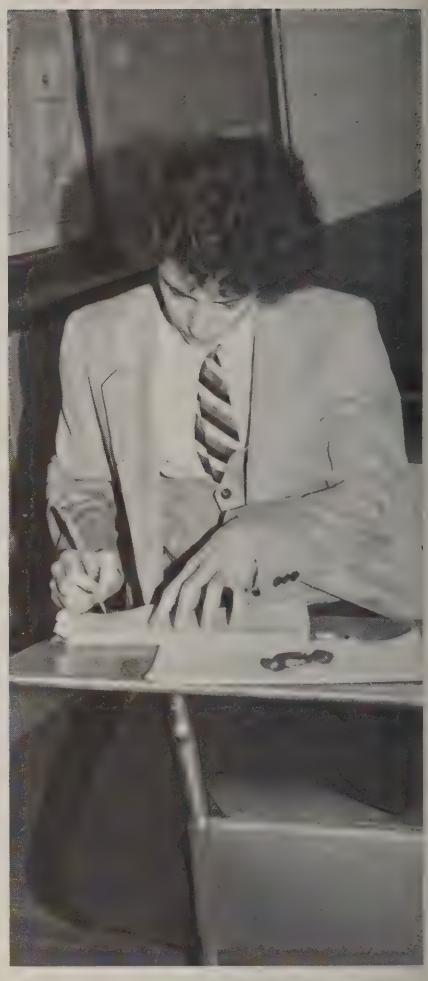
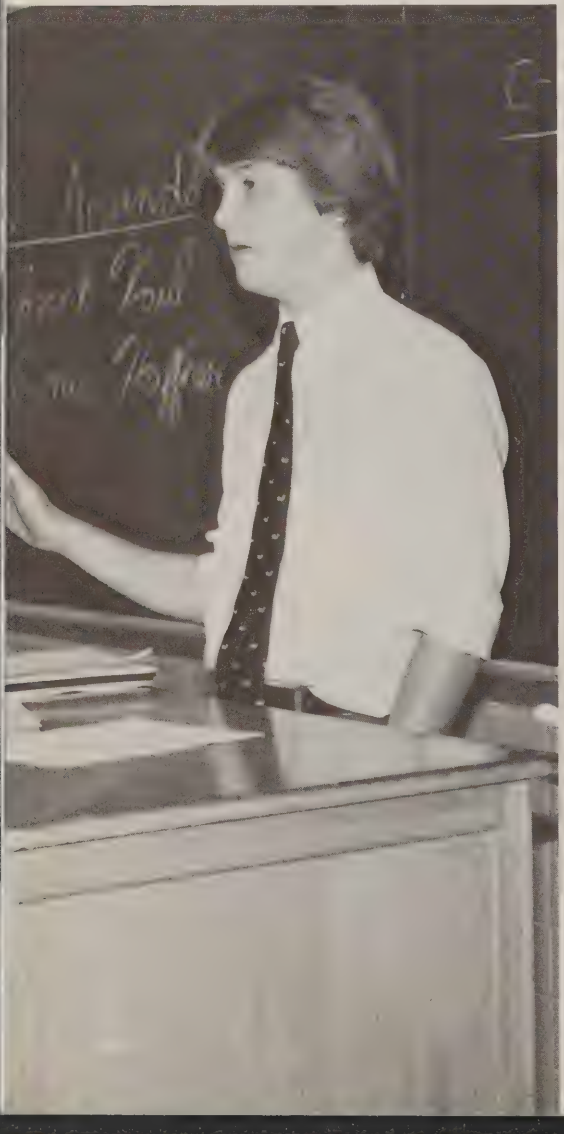
Speech and Debate

The Catonsville Debate Team completed a successful year in the local Baltimore Catholic Forensic League, competing in five qualifying tournaments in two-man and Lincoln Douglas debate, and entering five teams in finals. In Maryland State Finals, Gordon Ashby received the coveted First Speaker Award. At Calvert Hall Conclave, Catonsville won the 2nd Place Sweepstakes Trophy.

Varsity Teams competed in out-of-state tournaments in the Bronx, New York, Pittsburgh, Pa., Fairfax County, Va., and the 9th National Bicentennial Debates at Williamsburg, Va. where Mark Hinckley had the honor of being a Symposium speaker. Climaxing the year, Catonsville qualified three teams to the National Catholic Forensic League Tournament in Detroit: Mark Hinckley/Gordon Ashby, David Stein/Scott Clendaniel, and Kathy Ruppel/Steve Hamrick.





Speech and Debate: Front Row: K. Hinckley, D. Donigan, S. Clendaniel, D. Stein, P. Chalmers. *Middle Row:* D. Maher, G. Ashby, S. Anderson, L. McAfee, F. Hollamon, L. Howell, K. Ruppel. *Back Row:* R. Bannister (coach), F. Sharp (coach), M. Hinckely.

Ellipsis Staff

Although this year's staff of the literary magazine was severely limited, it again produced a high quality magazine. Thanks to the help of Gary Blankenburg, *Ellipsis* advisor, and the art department, the magazine turned out to be an impressive collection of CHS artistic talents. The staff would also like to extend its appreciation to the SGA for its loan of $150.00, and to the community for its patronage which were the only two sources of income this year.

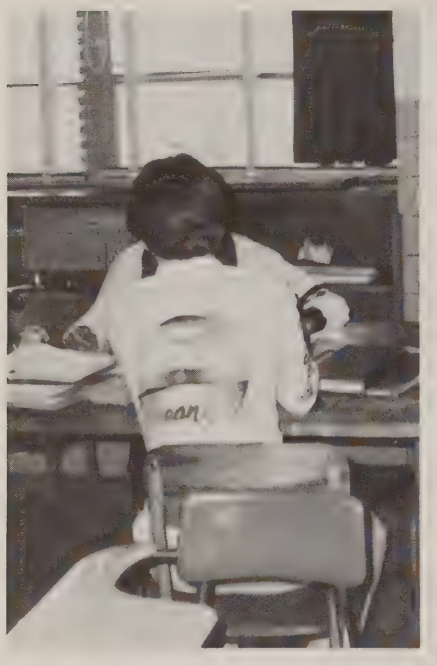
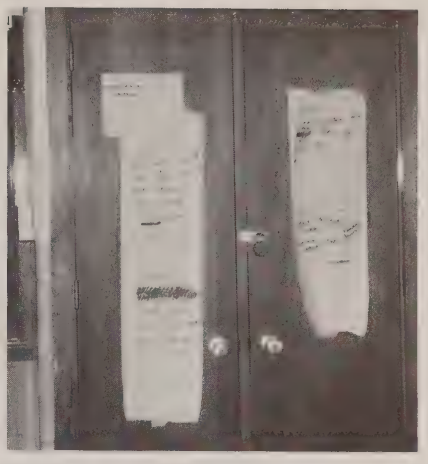
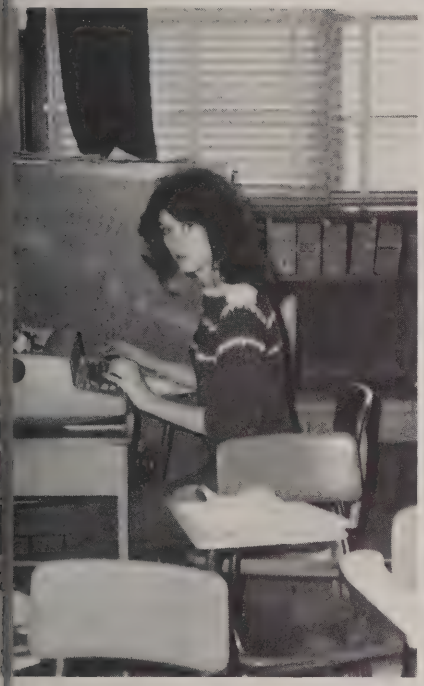
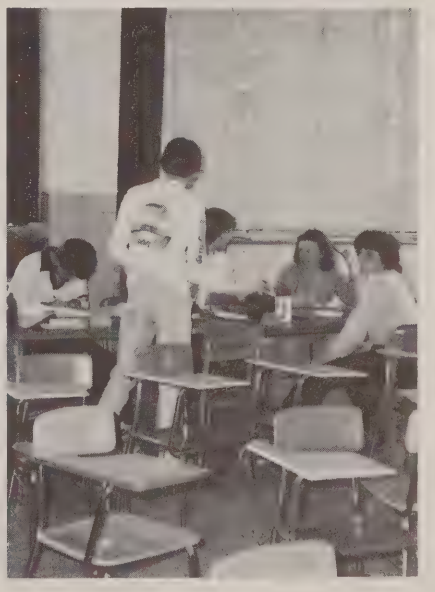
Comet

This year's *COMET* staff spent the majority of the year trying to raise funds to put out the paper. The staff also produced the winter sports program along with Fred Yanero and split the revenue with Basketball. These changes, along with fewer issues, were compensated for the lack of money due to free distribution of the paper to all students and faculty.









Catonian

With few experienced members, the Catonian staff nevertheless produced a yearbook to be proud of. Under the leadership of advisor Sue Tustin and editor Beth Young, the staff learned to use their ideas to produce a book that captures the spirit of the 1981-82 school year.

A Seesaw Season

Although the Comets' football season started off with a loss to Atholton, their overall record of 4 wins and 6 losses did not show their true determination to win. The seesaw season of win one-lose one could have resulted in more wins had the team not been plagued by so many injuries and illnesses. Despite the setback, the senior-dominated team felt they had an enjoyable season.

The Impossible Dream

THREE TIME STATE CHAMPIONS!

For the third successive year, the comets captured the Class A State title held at Catonsville C.C. Also, for the third consecutive year, the Comets swept the Region I title by winning six straight games without a loss. Despite being a very young and inexperienced team that included six sophomores, their determination, discipline, and drive led them to bring out their talents and repeat the performance of the past two years. Led by senior All-Metro selections Patty and Kathy Wharton ans sophomore setter, Suzanne Meyer, an All-Metro second team pick, the Comets only lost one match the whole season, ending with a 15-1 match record and a 33-3 game record. Coach Debbie Clem, the six year mentor, faced with the seemingly impossible task of molding her team into a contender for the state title, once again did an outstanding job with her team, not only making them a contender, but making them a winner.

With the abundance of talent, the JV team had a winning season, losing only two of their eleven matches. The team was once again only one loss from competing in the County Championship.

The Last Yard

Despite countless injuries and a lack of participation from seniors, the girls' Cross Country team had a respectable winning season. Their major strength came from the juniors as Amy Prochazka, Annette Warfield, and Judy Altenburg led the pack. The girls placed 13th in the Hereford Invitational, 6th in the Counties, and 4th in the Districts, qualifying them for the States.

The boys' Cross Country team had a disappointing season this time around. With only Paul Kirstukas and Ralph Casamassina running from the graduating class, their major goal was improvement instead of competition. The team placed 19th in the Counties and 9th in the Districts.

Style and Skill on the Run

This year's Varsity Field Hockey team was the first team ever to win the Region I Championships. The team broke many records including total number of goals (40) compared to the highest in 1965 (22). Kim Bartosz broke the individual scoring record, 13 goals, while Linda Hine tallied 12. In addition, the team won more games than ever, ending the season with 9 wins and 5 losses. Special "laurels" also went to Laura Brown for being named to the *Sun's* All-Metro First Team. With few seniors leaving, next year's performance should remain consistent.

The Junior Varsity team had another excellent season. There was only one experienced player, making their 5-2 record year, and missing the playoffs by only one game, even more impressive.

Almost a Blast

Even after losing all of the starting players to graduation, the varsity soccer team began the season strongly with a starting line-up of seniors. Unfortunately, their hopes of going to the regionals soon dwindled. Their season ended with a record of five wins and five losses.

The J.V. team's new coach this year, Ken Bradshaw, helped the team to a better season than last year. Their final record was three wins, seven losses, and one tie.

A Rise to Regionals

Once again under second year coach, Laurie Donnelly, the first in nine years, the girls' basketball team reached the semifinals of the Region I Class A tournament. The Comets, consisting mainly of underclassmen, with a record of 14-5, managed to beat Loch Raven and Hereford on their opponent's court, a feat which has not been accomplished in many years at Catonsville. The lone nemesis to whom the Comets lost three times, including regionals, was Towson, a first year County ABC competitor.

Once again, the girls' JV squad started the season under a new coach, Sue Thompson. This closely knit team overcame many injuries with desire, closing their season with an 11-5 record.

1 — 2 — 3 DEFENSE!

With only one returning starter from last year's squad, the Comets proved better than expected, earning a regional semi-final berth. The 16-5 overall record was quite impressive, moreover, well deserved. In addition to the outstanding record of the rebuilding team, many individual records were broken. Junior Art Monroe broke past school records by scoring a total of 949 career points, while Senior Chris Hourihan set a new assist record with 127.

The Junior Varsity had a sub-par season with a 7-13 record. Despite this, some outstanding JV players will most likely move up to play key roles in the Varsity's success next season.

Matmen Make States

Under a new varsity coach, Ron Martin, the Comets ended the season with a 4-3 record. At the Baltimore County Tournament, the Comets finished in tenth place as a team with seniors Alan Bowman and Mike Daniels taking third place, while Paul Kirstukas took fifth. At the Regional Tournament, Alan again took third place while senior Bill Fullaway placed fourth. Alan and Bill advanced to the MPSSAA State Tournament where they were eliminated in the first round.

Because of a lack of the heavy weights, the Comets had no J.V. squad, and although the team will be losing five seniors, next season looks . . .?

Speedy Sprinters

Indoor track boys' team was led this year by senior Eric Brown. Eric placed third in Counties, first in Regionals, and second in States. Junior Ray Toppins finished sixth in Counties and second in Regionals. Coach Weilert did not have the season he hoped for, but team spirit was high despite the 1-4 record.

An outstanding 5-0 season was had by the girls' indoor track team. Coach Judy Boire was pleased with her talented team which finished eighth in Counties, second in Regionals, and sixth in States. Sophomore Shelley Smith broke her own record in the 600 and took a third place medal in the mile run. Other record breakers T. King — 50 yd. dash; A. Warfield — hurdles; A. Prochazka — 3000 meter run; J. Atenburg — high jump; T. King, A. Warfield, K. C. Brown, S. Smith — 800 meter relay; T. King, L. Brown, K.C. Brown, S. Smith — 4x264 relay; T. King, L. Brown, K.C. Stuck on STX

The year's varsity lacrosse team was one of the best Comet teams ever. The Comets ended their season with an impressive 11-2 overall record, missing the playoffs by only one game. Throughout the season, they maintained a high level of intensity with senior Michael Blouin tying the school scoring record with 34 goals, while senior Scott Brown led the team with 54 points overall. Only 3 starters will return to the Comet's team next season, however, the prospects for a young, winning team are good.

Stick Chicks

The girls' varsity lacrosse team had a very successful season, supported by the patience and coaching of Kathy Schuyler. Despite the girls 2 losses, the core of the team, consisting of Linda Hine, Kelly Palicki, and Terry King, kept the team motivated. This team spirit roused them to end the season with a 6-2 record.

The girls' J.V. lacrosse team had a split season with Sue Tustin leading them to a 3-3 record. Though many players were inexperienced, they showed marked improvement. With the returning varsity players and the experience now gained by the J.V. players, next year's team should show talent and depth.

Swing into Spring

The tennis team turned out a winning season under the coaching of Richard Talarigo by ending up with a record of 9-7. Despite the loss of six starting netters, the young team pulled together and filled the spaces well. Sophomores Kate Jensen and Dave Buck were entered in the county championships as mixed doubles.

The golf team, under the coaching of Fred Yanero finished up with a disappointing but hopeful season. With four returnees, the team drove their way to a 2-4 record. Doug Murray and Kelly Hughes both went to the county championships to top off the season.

Good to Go!

Once again the boys' track team was dominated by sprinters and jumpers leading the team to an overall impressive 7-1 record. Junior Ray Toppins successfully ended the season by jumping 20'10" to capture the state title defeating Ira Cutler who had placed first in this event in the county and regional competitions. Senior Eric Brown ended his season by placing 4th in the 100m sprint in the state competition. Ronald Harris, Reggie Franklin, Eric, Ray, and Ira took first place for both the 400m and 800m relays in the regional meet.

The girls' track team also had an impressive season. They went undefeated with 8 wins, including the ABC Relay Meet. An amazing amount of school records were broken by sophomore Shelley Smith. They included the 400m dash, the 800m, 1500m, and 1600m run. Other record breakers were the 800m relay team of KC Brown, Engrid Boston, Lucy Brown, and Tina King; and the 1600m relay team of Tina, Lucy, Engrid, and Shelley. Also Annette Warfield broke the record in the 100m hurdles.

A So-So Season

The Varsity softball team, under coach Debbie Clem, ended their season with a disappointing 5-7 record. Although the team had many good spurts, both defensively and offensively, they were too inconsistent, as a team, to hold or obtain a lead. Despite their record, the Comets missed a regional berth by only 1 loss.

The JV team, consisting of sophomores only, finished their season with a 6-4 record. Coach Caren Welsh felt her games were played with a "complete team effort" and stressed that everyone improved through the season.

A Turnabout Season

The Varsity Baseball Team had a quick start this season with a 6-3 record. However, much to Coach Reeves' dismay, their season ended with a disappointing 7-9 record. Behind the consistent batting of Bobby Rey, and the pitching of Dave Jones, the Comets had a fair season despite the return of only 3 veterans.

The J.V. team finished the year with a 10-6 record. The strong hitting of Mike Waters and the rest of the squad has shown promise of providing a good nucleus for next year.

Trophies in Tribute

The annual varsity banquet was held at CCC on May 27, 1982. It was the first year that parents of varsity players organized this special occasion. The toastmaster for the evening was Bill Hawkins. Because students and parents participated in the preparations, the banquet was appreciated more and recognized as a special tribute to the athletes.
